

5 REASONS

TO JOIN THE HOME-IMPROVEMENT INDUSTRY WITH SPRAY-NET

1 HOME OWNERS HAVE THE ITCH & DESIRE TO REMODEL

By instantly transforming the look of a home at a fraction of the cost of replacement, Spray-Net ticks off all 3 boxes for homeowners!

2 THE DEMAND IS THERE ALMOST 1/3 OF ALL RENOVATION SPENDING IS ON SIDING, DOOR AND WINDOW REPLACEMENT!

By making it possible to paint *unpaintable* surfaces like aluminum and vinyl doors and windows, Spray-Net gives homeowners a smarter alternative to replacement!

3 HOMEOWNERS SPEND ON AVERAGE \$9,300 PER RENOVATION PROJECT!

A Spray-Net revamp delivers the quick convenience of conventional painting that homeowners love, with the benefit of replacement that they need—all at a cost effective price-point.

4 AMERICA'S HOMES NEED A REVAMP

Thanks to an aging housing stock (and with mortgage rates continuously increasing for new constructions), new homeowners are choosing to renovate older homes more than they're buying new!

5 REMODELLING IS ON THE RISE

Renovation spending is expected to increase by 7% in 2019, bringing the home-improvement industry over the \$400M mark.
